
Kansas Aviation signs AMC agreement with Triumph Engine Control Systems

We are extremely excited to announce that we have been selected by Triumph Engine Control Systems, LCC, a subsidiary of Triumph Group, Inc., as an Authorized Maintenance Center (AMC) for PW100, PT6, JT15D, and PW300 engine accessories.

We are pleased to add this approval to our ever growing list of OEM approved capabilities. This partnership will allow us to expand upon our already World Class offerings and ensure we can continue to provide you with the quality, service and value you deserve. We are sure to have what you need; when you need it.

We support multiple Triumph Engine Control Systems, LLC components including flow dividers, start flow controls, dumps valves, fuel pumps, & motive flow valves.

Product Feature: PW100 Fuel Pump

Kansas Aviation has been testing, repairing, & overhauling the PW100 fuel pumps for the past 19 years. The fuel pump part numbers include: 5006488,

5008269, 5009980, 5009982, 5009984, 5009986, and 770037. Each pump includes a pressure switch and bypass valve which must be tested independently of the fuel pump. In addition we also carry outright and exchange units for your convenience.

New 360 Photo Booth

Kansas Aviation recently acquired a new 360 degree photo booth. We are now using it to take incoming and outgoing pictures of all units for reference purposes such as determining if any extra parts are needed and the condition of units as they arrive in our facility. It will also be used for warranty verification and investigation of units, this will help us provide better information to our customers.

Rolls Royce Training

In February 2014, Greg Stewart from Kansas Aviation attended Rolls Royce 250 training in Indianapolis, Indiana. The course was a week long line maintenance course that provided classroom, as well as hands-on training. Greg looks forward to using his training to help you in any way he can.

Meet our Customer Service Advocates

Chelsie Angel

Chelsie has worked at Kansas Aviation for almost two and a half years in the Customer Service department. She has a husband and three boys at home that keep her very busy when she's not at work. She also enjoys gardening, reading, working out, and is a huge sports fan. Her favorite team is the Greenbay Packers.

Chelsie recently became the Customer Service Team Leader over the department. She is looking forward to helping her customers in any way that she can.
